

## A Cross-Sectional Analysis to Assess the Role of Atopy in Keratoconus Among Saudi Population [Corrigendum]

Abuallut II, Alomaish AR, Arishy AM, et al. *Int J Gen Med*. 2023 Oct 27;16:4873-4881.

Our authors have advised that affiliation 4 for Majid A Moafa on page 4873 “<sup>4</sup>Optometric Department, Faculty of Medicine, Qassim University, Qassim, Saudi Arabia” should be “<sup>4</sup>Department of Optometry, College of Applied Medical Sciences, Qassim University, Qassim, Saudi Arabia”.

The authors apologise for this oversight.

### Publish your work in this journal

The International Journal of General Medicine is an international, peer-reviewed open-access journal that focuses on general and internal medicine, pathogenesis, epidemiology, diagnosis, monitoring and treatment protocols. The journal is characterized by the rapid reporting of reviews, original research and clinical studies across all disease areas. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
